Thì ra là hộp bút màu mới tinh của Tô. Bút sắp đủ màu hân hoan!
Những cây màu sắc sỡ khua khoáng trong không gian chuyển
qua tay các bạn, đập xuống trang giấy thành những vệt màu
tươi tắn đẹp để khiến San mê mẩn. San thích lắm vì San chỉ có
những cây bút chì thường mà thôi.

ForeGround

The illustration depicts a stylized forest scene. On the left, a large, dark brown tree trunk with vertical lines representing bark extends from the bottom to the top. Its canopy is dark teal with some leaves visible. To the right of the tree, there are several rounded, dark teal bushes. The ground is represented by a series of overlapping, wavy shapes in teal, orange, and pink at the bottom. The background is a light gray gradient.
